

Adekunle Oke

A skilled and creative academic and researcher, with a wealth of transferable skills developed during a progressive and inspiring career within the industrial and academic sectors. Adekunle has a proven track record in scientific and behavioural research including teaching, learning, and support. Strong analytical and organised professional who readily adapts to change; along with the maturity to inspire others while achieving performance expectations.

Core Competencies

Project Management; Change Management, Stakeholder Management, Risk Management; Resource Management; Planning and Scheduling; Statistical Data Analysis (SPSS, AMOS, & STAT); Research Design; Qualitative Data Analysis (NVivo); Data Management; Teach & Support Learning; Document Analysis and Review, Academic Writing.

Education

PhD Management Robert Gordon University	2013 - Ongoing
PgCert in Research Methods Robert Gordon University	2013 - 2014
MSc Project Management Robert Gordon University	2009 - 2010
MSc Environmental Protection University of Hohenheim, Germany	2006 – 2008
B.Tech (Hons) Chemical Engineering Ladoke Akintola University of Technology, Nigeria.	1995 - 2001

Selected Employment

Research Assistant Completed two projects (where Prof Seonaidh McDonald was PI) Aberdeen Business School, Robert Gordon University	2013 –
Project Planner/Consultant Honey and Will Limited, Dundee, UK	2010 - 2012
Project Manager (Technical Placement) Iceberg Print and Design, Aberdeen	June - August 2010
Research Assistant Institute of Soil Science and Land Evaluation, University of Hohenheim, Stuttgart, Germany	April - October 2008

Selected Professional Qualifications and Training

Associate Fellow, The Higher Education Academy

DEM022 - ODL: Supporting Learning and Teaching in Higher Education.

DEM021 - ODL: Approaches to Learning and Teaching in Higher Education.

PRINCE2 (Project Management) Practitioner Qualification – APMG International.

Introduction to Teaching and Development Course – Robert Gordon University.

NEBOSH Health and Safety at Work Qualification – NEBOSH.

IEMA Approved Lead Environmental Auditor Training Course – IEMA.

Professional Development Course in Resource Recovery – Material and Energy Utilization:
The Swedish Experience as Example - Widener University, USA.

Regression modelling for categorical data using SPSS & STATA - Scottish Graduate School of
Social Science.

Memberships and Professional Activities

ABS Research Students Representative - Graduate School Board.

Academic Member – Athens Institute for Education and Research.

Academic Reviewer, Journal of Mixed Methods International Research.

Board Member, Mixed Methods International Research Association (MMIRA).

Chair, Session 6C - Biological Treatment 2, at ICSW 2016.

Coordinator – Aberdeen Business School Research Student Conference 2016.

Editorial Board Member – The Journal of Social Sciences Research.

Graduate Member, Institute of Environmental Management and Assessment (IEMA).

Member, Chartered Institution of Wastes Management (CIWM).

Member, Organising Committee & Reviewer - Research Student Conference 2014.
