

Curriculum vitae

My name is Anna Hornakova. I was born on 26. October 1960. I come from Slovakia. I live in Kosice. I finished the Faculty of Natural Sciences, University of P. J. Safarik in Kosice (study branch-biophysics) in 1984 and the Faculty of Arts, Comenius University in Bratislava (study branch-English language and literature) in 2000. I finished my PhD study in biology in 1997. I worked as a scientific professional in the Institute of Neurobiology, Slovak Academy of Science in Kosice from 1984-1994, later from 1994-2004 as an English teacher at the Secondary medical school in Kosice. Since 2004 I have been working as a university teacher at the University of Presov in Presov, in the Institute of Language Competences, Center of Competence and Lifelong learning.
