

### **Short biographical note**

I'm Mr. Kaies SAMET, Dr. in Economics from the Faculty of Economics and Management of Sfax (Tunisia), member of the Research Unit in Economy of Development (RUED) in the same faculty, and an Assistant Professor in Economics at the High Institute of Management of Gabes (Tunisia). Since I'm a polyvalent economist, I teach various modules in Economics. Also, I have many publications, particularly in peer-reviewed international journals, and many participations in national and international conferences, in two research areas : the financial innovation and the technological innovation. Finally, since february 2015, I'm a member of Editorial Board of « Education Reform Journal » (Turkey).
