In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise in the Greek islands, an archaeological tour of Athens and a one-day visit to Delphi.

The conference is soliciting papers (in English only) from all areas of Statistics and other related areas. Selected (peer-reviewed) papers will be published in a Special Volume of ATINER's book series. If you think that you can contribute, please submit a 300-word abstract by **12 May 2014**, by email, atiner@atiner.gr to: Dr. Constantine Georgakis, Academic Member, ATINER & Associate Professor, DePaul University, USA. Please include: Title of Paper, Full Name (s), Current Position, Institutional Affiliation, an email address and at least 3 keywords that best describe the subject of your submission. Please use the abstract submitting form available at <http://www.atiner.gr/2014/FORM-STA.doc>.

Announcement of the decision is made within 4 weeks after submission, which includes information on registration deadlines and paper submission requirements. If you want to participate without presenting a paper, i.e. chair a session, evaluate papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to Dr. Gregory T. Papanikos (gtp@atiner.gr), President, ATINER.

The Athens Institute for Education and Research (ATINER) was established in 1995 as an independent academic association with the mission to become a forum, where academics and researchers - from all over the world - could meet in Athens to exchange ideas on their research and to discuss future developments in their disciplines. Since 1995, ATINER has organized more than 200 international conferences, symposiums and events. It has also published approximately 150 [books](#). Academically, the Institute consists of five [Research Divisions](#) and twenty-three [Research Units](#). Each Research Unit organizes an annual conference and undertakes various small and large research projects. Academics and researchers are more than welcome to become members and contribute to ATINER's objectives. The members of the Institute can undertake a number of [academic activities](#). If you want to become a member, please download the form ([membership form](#)). For more information or suggestions, please send an email to: info@atiner.gr.
