The Athens Institute for Education and Research (ATINER) was established in 1995 as an independent academic association with the mission to become a forum, where academics and researchers - from all over the world - could meet in Athens to exchange ideas on their research and to discuss future

developments in their disciplines. Since 1995, ATINER has organized more than 200 international conferences, symposiums and events. It has also published approximately 150 [books](#). Academically, the Institute consists of five [Research Divisions](#) and twenty-three [Research Units](#). Each Research Unit organizes an annual conference and undertakes various small and large research projects. Academics and researchers are more than welcome to become members and contribute to ATINER's objectives. The members of the Institute can undertake a number of [academic activities](#). If you want to become a member, please download the form ([membership form](#)). For more information or suggestions, please send an email to: [info@atiner.gr](mailto:info@atiner.gr).
