

**7<sup>th</sup> Annual International Conference on Mediterranean Studies,  
14-17 April 2014, Athens, Greece  
Call for Papers and Participation**

The Athens Institute for Education and Research (ATINER) organizes its **7<sup>th</sup> Annual International Conference on Mediterranean Studies, 14-17 April 2014**, Athens, Greece. The conference website is: [www.atiner.gr/mediterranean.htm](http://www.atiner.gr/mediterranean.htm).

The aim of the conference is to bring together scholars, researchers and students from all areas of Mediterranean Studies, such as history, arts, archaeology, philosophy, culture, sociology, politics, international relations, economics, business, sports, environment and ecology, etc.

The registration fee is €300 (euro), covering access to all sessions, two lunches, the official dinner of the conference (Greek Night), coffee breaks and conference material. Special arrangements will be made with a local luxury hotel for a limited number of rooms at a special conference rate. In addition, a number of social events will be organized: A Greek night of entertainment with dinner (the official dinner of the conference), an archaeological tour (urban walk) of Athens, a special one-day cruise to the Greek islands, and a one-day visit to Delphi. Details of the social program are available at <http://www.atiner.gr/2014/SOC-MDT.htm>

Please submit an abstract (email only) to: [atiner@atiner.gr](mailto:atiner@atiner.gr), using the abstract submission form available at <http://www.atiner.gr/2014/FORM-MDT.doc> by the **3 March 2014** to: **Dr. Gregory A.Katsas, Academic Member of ATINER and Associate Professor, The American College of Greece-Deree College, Greece**. Abstracts should include the following: Title of Paper, Full Name (s), Affiliation, Current Position, an email address, and at least 3 keywords that best describe the subject of your submission. Decisions are reached within 4 weeks.

If you want to participate without presenting a paper, i.e. organize a panel (session, mini conference), chair a session, review papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to **Dr. Gregory T. Papanikos, President, ATINER ([gtp@atiner.gr](mailto:gtp@atiner.gr))**.

The Athens Institute for Education and Research (ATINER) was established in 1995 as an independent academic association with the mission to become a forum, where academics and researchers - from all over the world - could meet in Athens to exchange ideas on their research and to discuss future developments in their disciplines. Since 1995, ATINER has organized more than 250 international conferences, symposiums and events. It has also published approximately 150 books. Academically, the Institute consists of six Research Divisions and twenty-seven Research Units. Each Research Unit organizes an annual conference and undertakes various small and large

research projects. Academics and researchers are more than welcome to become members and contribute to ATINER's objectives. The members of the Institute can undertake a number of academic activities. If you want to become a member, please download the form (membership form). For more information or suggestions, please send an email to: info@atiner.gr.

**4<sup>th</sup> Annual International Conference on Architecture,  
7-10 July 2014, Athens, Greece  
Call for Papers and Participation**

The Architecture & Engineering Research Unit of the Athens Institute for Education and Research (ATINER) will hold its **4<sup>th</sup> Annual International Conference on Architecture, 7-10 July 2014**, Athens, Greece. For further details, please go to the conference website: <http://www.atiner.gr/architecture.htm>. The registration fee is €300 (euro), covering access to all sessions, two lunches, coffee breaks and conference material. Special arrangements will be made with a local luxury hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise in the Greek islands, an archaeological tour of Athens and a one-day visit to Delphi. The aim of the conference is to bring together scholars, researchers and students from all areas of Architecture. Areas of interest include (**but are not confined to**):

Individual buildings and building types

- History of architecture and the built environment
- Architectural theory
- Developments in construction
- Town planning
- Allied arts such as painting and sculpture
- Social Research examines the people who inhabit and use the spaces of architecture
- Technological Research studies the physical materials, methods, elements, systems, and science of architecture and the design and construction processes
- Environmental Research investigates the physical context of architecture, opening timely questions about the influence of society on environment
- Cultural Research studies place-making and the norms of the inhabitants of natural and built places past, present, and future
- Organizational Research examines the ways in which individuals and teams collaborate in the practice of architecture and in the client organizations
- Design Research considers the processes of shaping and making of places
- Educational Research examines the pedagogies of architecture and related fields

Please submit an abstract of no more than 300 words (using email only to: [atiner@atiner.gr](mailto:atiner@atiner.gr)) by **10 March 2014** addresses to: Dr. Nicholas Patricios, Head, Architecture & Engineering Research Unit, ATINER & Professor and Dean Emeritus, School of Architecture, University of Miami, USA. Abstracts should include: Title of Paper, Full Name (s), Affiliation, Current Position, an email address and at least 3 keywords that best describe the subject of your submission. Please use the abstract submitting form available at <http://www.atiner.gr/2014/FORM-ARC.doc>. Decisions are reached within 4 weeks. If you want to participate without presenting a paper, i.e. chair a session, review papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to Dr. Gregory T. Papanikos, ([gtp@atiner.gr](mailto:gtp@atiner.gr)), President, ATINER.

**4<sup>th</sup> Annual International Conference on Civil Engineering, Structural Engineering and Mechanics, 26-29 May 2014, Athens, Greece  
Call for Papers and Participation**

The Architecture & Engineering Research Unit of the Athens Institute for Education and Research (ATINER) will hold its **4<sup>th</sup> Annual International Conference on Civil Engineering, 26-29 May 2014**, Athens, Greece. For further details, please go to the conference website: <http://www.atiner.gr/civileng.htm>. The registration fee is €300 (euro), covering access to all sessions, two lunches, coffee breaks and conference material. Special arrangements will be made with a local luxury hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise in the Greek islands, an urban walking tour of Athens (including Acropolis and Parthenon) and a one-day visit to Delphi. The aim of the conference is to bring together scholars, researchers and students from all areas of Civil Engineering, Structural Engineering, Mechanics and other related areas. Areas of interest include (**but are not confined to**):

**Civil Engineering**

- Structural engineering
- Construction engineering
- Water resources engineering
- Environmental engineering
- Municipal or urban engineering
- Urban Infrastructure
- Transportation Engineering
- Railway systems engineering
- Forensic engineering
- Geotechnical engineering
- Surveying
- Design Research considers the processes of shaping and making of places
- Educational Research examines the pedagogies of civil engineering and related fields

**Structural Engineering and Mechanics**

- Earthquake engineering
- Materials
- Control engineering
- Coastal Systems engineering
-

- History of civil engineering

Please submit an abstract of no more than 300 words (using email only to: [atiner@atiner.gr](mailto:atiner@atiner.gr)), by **7 April 2014** addresses to: Dr. Thomas Attard, Deputy Head, Architecture & Engineering Research Unit, ATINER & Associate Research Professor, Arizona State University, USA. Abstracts should include: Title of Paper, Full Name (s), Affiliation, Current Position, an email address and at least 3 keywords that best describe the subject of your submission. Please use the abstract submitting form available at <http://www.atiner.gr/2014/FORM-CIV.doc>. Decisions are reached within 4 weeks. If you want to participate without presenting a paper, i.e. organize a mini conference or a panel (session), chair a session, review papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to Dr. Gregory T. Papanikos, ([gtp@atiner.gr](mailto:gtp@atiner.gr)), President, ATINER.

**4<sup>th</sup> Annual International Conference on Urban Studies & Planning,  
9-12 June 2014, Athens, Greece  
Call for Papers and Participation**

The Architecture & Engineering Research Unit in collaboration with the Social Sciences Research Division of the Athens Institute for Education and Research (ATINER) will hold its 3<sup>rd</sup> Annual International Conference on Urban Studies & Planning, 10-13 June 2013, Athens, Greece. For further details, please go to the conference website: <http://www.atiner.gr/planning.htm>. The aim of the conference is to bring together scholars, researchers and students from all areas of Urban Studies and Planning and other related areas such economics, geography, sociology, real estate, construction, etc. Areas of interest include (**but are not confined to**):

1. Urbanization and suburbanization
2. Urbanism that includes urban geography, sociology and economics
3. Urban design and history of cities
4. Urban transportation
5. Urban infrastructure including public utilities
6. Urban regeneration including economic development
7. Local plans
8. Historic preservation
9. Environment, public open space and recreation
10. Housing
11. Community engagement
12. Planning management, implementation and enforcement
13. Planning systems and processes, information and policy analysis
14. Transportation Engineering
15. Town planning
16. Social Research examines the people who inhabit and use the spaces of architecture
17. Cultural Research studies place-making and the norms of the inhabitants of natural and built places past, present, and future
18. Design Research considers the processes of shaping and making of places
19. Educational Research examines the pedagogies of urban studies and related fields

The registration fee is €300 (euro), covering access to all sessions, two lunches, coffee breaks and conference material. Special arrangements will be made with a local luxury hotel for a limited number of rooms at a special

conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise in the Greek islands, an archaeological tour of Athens and a one-day visit to Delphi.

Please submit an abstract of no more than 300 words by email only to: [atiner@atiner.gr](mailto:atiner@atiner.gr) by **21 April 2014** addresses to: Dr. Nicholas Patricios, Head, Architecture & Engineering Research Unit, ATINER & Professor and Dean Emeritus, School of Architecture, University of Miami, USA. Abstracts should include: Title of Paper, Full Name (s), Affiliation, Current Position, an email address and at least 3 keywords that best describe the subject of your submission. Please use the abstract submitting form available at <http://www.atiner.gr/2014/FORM-PLA.doc>. Decisions are reached within 4 weeks.

If you want to participate without presenting a paper, i.e. chair a session, review papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to Dr. Gregory T. Papanikos, ([gtp@atiner.gr](mailto:gtp@atiner.gr)), President, ATINER.

**2<sup>nd</sup> Annual International Conference on Industrial, Systems and Design  
Engineering, 23-26 June 2014, Athens, Greece  
Call for Papers and Participation**

The **Industrial Engineering Research Unit** of the **Athens Institute for Education and Research (ATINER)** will hold its **2<sup>nd</sup> Annual International Conference on Industrial, Systems and Design Engineering, 23-26 June 2014, Athens, Greece**. The aim of the conference is to bring together scholars and students of all areas of Industrial, Systems, Design Engineering and related subjects. You may participate as panel organizer, presenter of one paper, chair a session or observer. For more information visit the conference website <http://www.atiner.gr/industrial.htm>. Papers (in English) to be published in a peer reviewed publication are invited to be presented from all areas of Industrial Engineering (systems engineering, manufacturing engineering, ergonomics, safety engineering, industrial design, design engineering, product design and development, management science and operations research, simulation, computer and mathematical programming, case studies, applied arts, theorising processes of design, computer-aided industrial design, materials, information design, history of industrial design, production and planning scheduling, supply chain, ergonomics tool, workplace ergonomic, complex systems, safety management, workplace safety, product development, modeling and planning production systems, tool handing design, etc). Special arrangements will be made with a local luxury hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise in the Greek islands, an archaeological tour of Athens and a visit to Delphi. The registration fee is €300 (euro), covering access to all sessions, two lunches, coffee breaks and conference material. If you think that you can contribute, please send an abstract of about 300 words, via email, before **24 February 2014** to: Dr. Theodore Trafalis (**C.V.**), Academic Member, ATINER & Professor of Industrial and Systems Engineering, The University of Oklahoma, USA, 8 Valaoritou Street, Kolonaki, 10671 Athens, Greece. Tel.: + 30 210 363-4210 Fax: + 30 210 3634209 Email: [atiner@atiner.gr](mailto:atiner@atiner.gr) URL: <http://www.atiner.gr/industrial.htm>. Abstracts should include: Title of Paper, Family Name(s), First Name(s), Institutional Affiliation, Current Position, an email address and at least 3 keywords that best describe the subject of the submission. Please use the abstract submitting form available at <http://www.atiner.gr/2014/FORM-IND.doc>. Announcement of the decision is made within 4 weeks after submission, which includes information on registration deadlines and paper submission requirements. If you want to participate without presenting a paper, i.e. organize a mini conference or a panel (session), chair a session, evaluate papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to Dr. Gregory T. Papanikos ([gtp@atiner.gr](mailto:gtp@atiner.gr)), President, ATINER.

**8<sup>th</sup> Annual International Conference on Mathematics & Computer Science,  
16-19 June 2014, Athens, Greece  
Call for Papers and Participation**

The Mathematics & Statistics Research Unit of the Athens Institute for Education and Research (ATINER), will hold its 8<sup>th</sup> Annual International Conference in Athens, Greece, from the 16-19 June 2014. The conference website is [www.atiner.gr/mathematics.htm](http://www.atiner.gr/mathematics.htm). The registration fee is €300 (euro), covering access to all sessions, two lunches, coffee breaks and conference material. Special arrangements will be made with a local luxury hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise in the Greek islands, an archaeological tour of Athens and a one-day visit to Delphi.

The conference is soliciting papers (in English only) from all areas of Mathematics, Computer Sciences (theoretical) and other related areas. Selected (peer-reviewed) papers will be published in a Special Volume of ATINER's book series. If you think that you can contribute, please submit a 300-word abstract by **17 February 2014**, by email, [atiner@atiner.gr](mailto:atiner@atiner.gr) to: Dr. Vladimir Akis, Head, Mathematics & Statistics Research Unit, Athens Institute for Education and Research & Professor, Department of Computer Science and Department of Mathematics, California State University, Los Angeles, USA. Please include: Title of Paper, Full Name (s), Current Position, Institutional Affiliation, an email address and at least 3 keywords that best describe the subject of your submission. Please use the abstract submitting form available at <http://www.atiner.gr/2014/FORM-MAT.doc>.

Announcement of the decision is made within 4 weeks after submission, which includes information on registration deadlines and paper submission requirements. If you want to participate without presenting a paper, i.e. chair a session, evaluate papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to Dr. Gregory T. Papanikos ([gtp@atiner.gr](mailto:gtp@atiner.gr)), President, ATINER.

**8<sup>th</sup> Annual International Conference on Statistics,  
30 June & 1-3 July 2014, Athens, Greece  
Call for Papers and Participation**

The Mathematics & Statistics Research Unit of the Athens Institute for Education and Research (ATINER), will hold its 8<sup>th</sup> Annual International Conference in Athens, Greece, from the 30 June & 1-3 July 2014. The conference website is <http://www.atiner.gr/statistics.htm>. The registration fee is €300 (euro), covering access to all sessions, two lunches, coffee breaks and conference material. Special arrangements will be made with a local luxury hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise in the Greek islands, an archaeological tour of Athens and a one-day visit to Delphi.

The conference is soliciting papers (in English only) from all areas of Statistics and other related areas. Selected (peer-reviewed) papers will be published in a Special Volume of ATINER's book series. If you think that you can contribute, please submit a 300-word abstract by **3 March 2014**, by email, [atiner@atiner.gr](mailto:atiner@atiner.gr) to: Dr. Constantine Georgakis, Academic Member, ATINER & Associate Professor, DePaul University, USA. Please include: Title of Paper, Full Name (s), Current Position, Institutional Affiliation, an email address and at least 3 keywords that best describe the subject of your submission. Please use the abstract submitting form available at <http://www.atiner.gr/2014/FORM-STA.doc>.

Announcement of the decision is made within 4 weeks after submission, which includes information on registration deadlines and paper submission requirements. If you want to participate without presenting a paper, i.e. chair a session, evaluate papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to Dr. Gregory T. Papanikos ([gtp@atiner.gr](mailto:gtp@atiner.gr)), President, ATINER.

**8th Annual International Conference on Mathematics & Statistics: Education & Applications, 30 June & 1-3 July 2014, Athens, Greece**  
**Call for Papers and Participation**

The Mathematics & Statistics Research Unit of the Athens Institute for Education and Research (ATINER), will hold its 8<sup>th</sup> Annual International Conference on Mathematics & Statistics: Education & Applications in Athens, Greece, from the 30 June & 1-3 July 2014. The conference website is <http://www.atiner.gr/edumatsta.htm>. The registration fee is €300 (euro), covering access to all sessions, two lunches, coffee breaks and conference material. Special arrangements will be made with a local luxury hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise in the Greek islands, an archaeological tour of Athens and a one-day visit to Delphi.

The conference is soliciting papers (in English only) from all areas of Mathematics Education & Statistics Education and other related areas. Selected (peer-reviewed) papers will be published in a Special Volume of ATINER's book series. If you think that you can contribute, please submit a 300-word abstract by **3 March 2014**, by email, [atiner@atiner.gr](mailto:atiner@atiner.gr) to: Dr. Alexander Makedon, Head, Education Research Unit, ATINER & Professor, College of Education, Chicago State University, USA. Please include: Title of Paper, Full Name (s), Current Position, Institutional Affiliation, an email address and at least 3 keywords that best describe the subject of your submission. Please use the abstract submitting form available at <http://www.atiner.gr/2014/FORM-EMS.doc>.

Announcement of the decision is made within 4 weeks after submission, which includes information on registration deadlines and paper submission requirements. If you want to participate without presenting a paper, i.e. chair a session, evaluate papers to be included in the conference proceedings or books, contribute to the editing of a book, or any other contribution, please send an email to Dr. Gregory T. Papanikos ([gtp@atiner.gr](mailto:gtp@atiner.gr)), President, ATINER.
