6-9 July 2015, Athens, Greece
Call for Papers and Participation**

The [Architecture Research Unit](http://www.atiner.gr) of the [Athens Institute for Education and Research](http://www.atiner.gr) (ATINER), will hold its 5th Annual International Conference on Architecture, from the 6-9 July 2015. The conference website is <http://www.atiner.gr/architecture.htm>. The aim of the conference is to bring together scholars, researchers and students from all areas of Architecture. Areas of interest include (**but are not confined to**):

- Individual buildings and building types
- History of architecture and the built environment
- Architectural theory
- Developments in construction
- Town planning
- Allied arts such as painting and sculpture
- Social Research examines the people who inhabit and use the spaces of architecture
- Technological Research studies the physical materials, methods, elements, systems, and science of architecture and the design and construction processes
- Environmental Research investigates the physical context of architecture, opening timely questions about the influence of society on environment
- Cultural Research studies place-making and the norms of the inhabitants of natural and built places past, present, and future
- Organizational Research examines the ways in which individuals and teams collaborate in the practice of architecture and in the client organizations
- Design Research considers the processes of shaping and making of places
- Educational Research examines the pedagogies of architecture and related fields

You may participate as panel organizer, presenter of one paper, chair a session or observer.

For programs of previous conferences and other information, please visit the conference website: <http://www.atiner.gr/architecture.htm>.

Fee structure information is available on www.atiner.gr/fees.htm.

Special arrangements will be made with a local luxury hotel for a limited number of rooms at a special conference rate. In addition, a number of special events will be organized: A Greek night of entertainment with dinner, a special one-day cruise to selected Greek islands, an archaeological tour of Athens and a one-day visit to Delphi. Details of the social program are

available at <http://www.atiner.gr/2015/SOC-ARC.htm>.

Please submit an abstract (email only) to: atiner@atiner.gr, using the abstract submission form available at <http://www.atiner.gr/2015/FORM-ARC.doc> by the **8 December 2014** to: Dr. Nicholas Patricios, Professor and Dean Emeritus, School of Architecture, University of Miami, USA & Head, [Architecture & Engineering Research Unit](#), ATINER, 8 Valaoritou Street, Kolonaki, 10671 Athens, Greece. Tel.: + 30 210 363-4210 Fax: + 30 210 3634209. Please include: Title of Paper, Full Name (s), Current Position, Institutional Affiliation, an email address and at least 3 keywords that best describe the subject of your submission. Please use the abstract submitting form available at <http://www.atiner.gr/2015/FORM-ARC.doc>. Decisions are reached within 4 weeks.

If your submission is accepted, you will receive information on registration deadlines and paper submission requirements. Should you wish to participate in the Conference without presenting a paper, for example, to chair a session, to evaluate papers which are to be included in the conference proceedings or books, to contribute to the editing of a book, or any other contribution, please send an email to **Dr. Gregory T. Papanikos, President, ATINER & Honorary Professor, University of Stirling, UK** (gregory.papanikos@stir.ac.uk).

The Athens Institute for Education and Research (ATINER) was established in 1995 as an independent world association of Academics and Researchers. Its mission is to act as a forum where Academics and Researchers from all over the world can meet in Athens, in order to exchange ideas on their research, and to discuss future developments in their disciplines.

The organizing and hosting of [International Conferences and Symposiums](#), the carrying out of Research, and the production of Publications are the basic activities of ATINER. Since 1995, ATINER has organized more than 350 International Conferences and other events, and has published close to 150 [books](#). In 2012, the Association launched a series of conference paper publications ([click here](#)), and at the beginning of 2014, it introduced its own series of Journals ([click here](#)).

Academically, the Association is organized into seven [Research Divisions](#) and thirty-one [Research Units](#). Each Research Unit organizes at least an Annual International Conference, and may also undertake various small and large research projects.

Academics and Researchers are more than welcome to become members and to contribute to ATINER's objectives. If you would like to become a member, please download the relevant form ([membership form](#)). For more information on how to become a member, please send an email to: info@atiner.gr.

**5th Annual International Conference on Urban Studies & Planning,
8-11 June 2015, Athens, Greece
Call for Papers and Participation**

The Architecture & Engineering Research Unit in collaboration with the Social Sciences Research Division of the Athens Institute for Education and Research (ATINER) will organize its 5th Annual International Conference on Urban Studies & Planning, 8-11 June 2015, Athens, Greece.
