

SPECIAL CELEBRATION EXCURSION, DELOS-MYKONOS, JULY 7TH, 2021.

There will be a special excursion to Delos and Mykonos to celebrate the 90th anniversary of the 1931 Charter of Athens for the Restoration of Historic Monuments. Delos is a UNESCO World Heritage Site, an exceptionally extensive and rich archaeological site and one of the most important mythological, historical, and archaeological sites in Greece. Besides a visit to the archaeological remains and museum on Delos there will be a paper session on Mykonos. The Vice President of ICOMOS Greece, Professor Sofia Avegerinou Kolonias who is also a member of the ICOMOS International Executive Committee, will speak on the role of the International Council on Monuments and Sites. If you are interested in offering a paper on the 1931 Athens Charter, on national restoration of historic monuments, the challenges to conservation of historic monuments or similar topics, to be selected for presentation at Mykonos, please submit an abstract December 7th, 2020. If you wish just to join the excursion please apply as space will be limited.
