

*Dr Panagiotis Andrikopoulos* is the Associate Head of School (Research) for the School of Economics, Finance and Accounting at Coventry Business School. Prior to joining the Coventry University, Dr. Andrikopoulos was a Reader in Finance at Leicester Business School (De Montfort University, UK) where he taught various finance courses such as investment theory and analysis, finance theory, corporate finance, and behavioural finance. During the period 2012-2015, he has also been an Extraordinary (Adjunct) Associate Professor in Finance for the School of Accounting Sciences at North-West University of South Africa. He obtained his PhD in finance at the University of Portsmouth. Dr Andrikopoulos's research interests lie in the areas of corporate finance, market efficiency, empirical asset pricing, and behavioural finance, subjects on which he has widely published in various academic journals of international standing, such as the *Journal of Business, Finance and Accounting*, the *Accounting Forum*, the *European Journal of Finance*, *Review of Behavioural Finance* and *Journal of Economics and Business*. He currently serves as a panel member of various editorial and/or scientific advisory boards and has also been a frequent contributor to a wide range of international conferences and research symposia with over 50+ presentations at international conferences, guest lectures and research seminars across the UK and abroad.
