

SHORT BIOGRAPHY

(Last Update January, 14, 2016)

Name Bijan Nikouravan
Designation Associate Professor
Department Department of Mathematics & Physics
Faculty Faculty of Science
University Islamic Azad University (IAU)

Address (Office 1) Department of Physics, Faculty of Science, Islamic Azad University (IAU), Varamin, Iran

SHORT BIOGRAPHY

Bijan Nikouravan received his B.Sc Physics from Tehran, (Iran), M.Sc in Theoretical Astrophysics from Department of Physics, Aligarh Muslim University, (India) and PhD from the Mathematics Department of Mumbai (Bombay) University, (India) in the field of Mathematics (Theoretical Astrophysics).

He also has done his **Postdoctoral** at Mumbai, Indian Planetary Society (IPS) on the field of Mathematics Theoretical Astrophysics, elliptical celestial objects. He is **permanent Visiting Prof of IPS India**. **Dr Bijan Nikouravan**, in the early stage of his career, he worked as Assistant Professor of Physics in the Semnan University, (Iran), IAU of Semnan and Varamin, (Iran).

Dr Bijan Nikouravan was Head of Physics Department HOD, (IAU, Varamin). He was **Editor-in-chief** of Journal of “*Physics Infinite*” University publication, IAU, Varamin, Iran.

At the present, **Dr Bijan Nikouravan** as Associate Prof is **Editor-in-chief** of *Fundamental Journals (FJ)* Internationally and, publishing three international journals as below:

- 1- *International Journal of Fundamental Physical Sciences* (IJFPS) (ISSN:2231-8186)
- 2- *International Journal of Fundamental Psychology & Social Sciences* (IJFPSS) (ISSN:2231-9484)
- 3- *International Journal of Fundamental Arts and Architecture* (IJFAA) (ISSN: 2189-7344)

Fundamental Journals, now is indexed by many Research and data Centers such as EBSCO (USA), DOAJ, CrossRef, CrossMark, DOI, Georgetown University (USA), IET's INSPEC Database UK and many different International and National Libraries in USA, UK, Korea, Germany and many more countries and Google Scholars.

Dr Bijan Nikouravan was Organizer and Chairman of two International Conferences of IAU (Iran), Organizer Committee of Geoinformation Technology for NDM & Rehabilitation at 2007 in Isfahan. His activities are in Theoretical Astronomy, Astrophysics, Atmospheric Physics, Earthquake, and Solar Activities such as sunspots, solar proton and some application of Remote Sensing. He has published several international papers with 20 top papers Indexed in SAO/NASA/ ADS and books. He is also a reviewer of various journals such as **Springer** and **Elsevier**. He was as visiting academic member in **Department of Physics, University of Malaya (UM)** from 2010 till Jan 2014.

During his activities in the UM, he was officially **Coordinator of International conferences and seminars**, in Department of Physics, University of Malay (UM) from 2011 till 2014. He has organised more than 210 National and International conferences and seminars in UM.

At the present, he is working with **Islamic Azad University (IAU)**, Iran from 2014. He is teaching in a large different topics such as Differential Equation, Mathematical Physics, Theoretical Physics, Astrophysics, Cosmology, Atmospheric Physics, Electrodynamics, Structure of stars, Earthquake, Geophysics, General Relativity, computational physics and many more subjects related to theoretical physics and mathematic.
