CURRENT POSITION:

22 September 2006 to Present

Academician (Teaching & Research)

University of Agriculture, Faisalabad-Pakistan

TAHIR MUNIR BUTT, PhD is working as Academician (**HEC PhD Approved Supervision**) in the subject of Agricultural Extension Education and Development Studies at University of Agriculture, Faisalabad-Pakistan (UAF) and I got my PhD in Development and Management Science with a specialization in Rural Development/Agricultural Extension Technology from China Agricultural University Beijing-China and a master of Agricultural Extension Education and bachelor of science in agriculture from University of Agriculture, Faisalabad-Pakistan. I have rich experience in University Management like Office Coordinator, Administration, Member of Academic Staff Association (ASA) Executive Council, Convener External Affairs, Student Financial Aids, Public Relation Officer, Convener Seminars/Workshop/Training, Academic Affairs, In-Charge Security Affairs and Vigilance Committee, In-charge Computer Lab/IT etc. and also master trainer in entitled "Value addition of Horticulture Products" (Food Processing and Preservation techniques) for poverty alleviation and rural development. I have experience of working in an Agriculture Department as Ex-Agricultural Officer; Deputy District Officer Agriculture Extension and Ex-Program officer/Supervisor in UNICEF project at Faisalabad-Pakistan etc. I have also experience as Consultant/Advisor in the multidimensional NGO's for project design, implementation, monitoring, and evaluation. During my previous degree I fruitfully mutual, my studies with work and other assignments showing myself to be self-motivated, organized and capable of working under pressure also. Confidence is my skill and social working is my passion. I have a clear, logical mind with a practical approach to problem solving and I can tackle the problems arising during the working environment. I am an innovative philosopher with demonstrated capability to take challenges and expression flexibility to diversity. I enjoy working on my own initiative or in a team. In short, I am reliable, trustworthy, hardworking and eager to learn and have a genuine interest in PR. Besides a very active academic and professional career. I performed as dimensional experienced in my life. I remained Vice-President, Senior Executive member, Councilor of the Society of Agricultural Extension-UAF. Equipped with advancement in computer skills/literacy e.g. Office and Modern Statistical Packages (SPSS). I am also the member of different International/National Societies as well as furnished with research publications, project, and book.

EXPERTISE: Rural Development; Extension Education; Management Science; Cloud Computing in Agricultural Technology; Information Communication Technologies (ICTs) & Livelihood Framework for Capacity Building; Poverty Reduction and Behavioral Change; Communication & Leadership; Monitoring & Evaluation

INTEREST AREA: Smart Villages are "rural areas and communities which build on their existing strengths and assets as well as on developing new opportunities", where "traditional and new ICTs applications and services are enhanced by means of digital, Agricultural technologies, innovations and the better use of knowledge" in the rural community. Focuses on rural poverty, improvement of the quality of life, and social and economic development of rural areas

COURSES TAUGHT: Extension Education; Development Studies; Strategies, Skills and Extension Methods; Communication Skills and Leadership Development; Training & Research Methods; Project & Report Writing; Monitoring and Evaluation
