

## Biographical note

Name: Hysnie Haxhillari, born in 11/1981 in Korçë, Albania.

She is a Linguistics researcher working for Center for Studying and Publishing on Arbëresh, Tiranë, Albania. Her interest on Linguistics is focused on Generative Grammar, mainly on theories about the Noun Phrase, which has been her issue of study, especially the Albanian Noun Phrases. Balkan Linguistics is another field of interest for Haxhillari, studying the Sprachbund theory she has wrote a monograph “Caktuesori në gjuhët e Ballkanit” (The Determiner in Balkan languages) in 2021. She is working on Arbëresh - an Albanian dialect spoken in South Italy, which is an endangered language.
