MEDIA:

Many articles, interviews and comments at the Portuguese, Spanish, and Brazilian media, at several newspapers. There are also many comments and interviews, as well as participation in debates on the TV, at the most diverse Portuguese channels. It is also important to mention the participation in several debates and interviews in the Portuguese and Brazilian radio news channels.

OTHER PUBLICATIONS:

It is worth to mention that before my PhD I had published many articles at the Portuguese Air Force Journal, in which indeed I had published since I had finished my bachelor's degree. I had published here for many years until almost I have got my PhD.

Additionally, I had also published a lot of articles in blogs on my own, specially headed to my students. Therefore, they are directly connected to the subjected I was teaching during the years.

Furthermore, I also have many oral presentations (not written) that all over the years I have been presenting at national and international symposiums, conferences, and speeches. They are almost 100 communications so far since I have got my PhD degree in 2005.

SCIENTIFIC ACTIVITIES:

Coordination of the long-term project *Mário Soares, the International Socialist and Soares` Latino-Americanist Thought* with the support of the Mário Soares and Maria de Jesus Barroso Soares Foundation. From 2021 onwards.
