

### **Professor Eliezer Tauber – Short Bio**

Professor Eliezer Tauber is a world expert on the emergence of the Arab nationalist movements, the formation of the modern Arab states, and the early phases of the Arab-Israeli conflict. He has published many books and scholarly articles on these topics. Professor Tauber was the founder and first chair of the Department of Middle Eastern Studies in Bar Ilan University, Israel, and a former dean of the university's Faculty of Jewish Studies.
