

## Athens Institute Newsletter No. 43, March 2025

Parthenon view from Lycabettus Hill under the shadow of an olive tree

## News

The Athens Institute is organizing its 18<sup>th</sup> Annual International Conference on Mediterranean Studies, scheduled for 14-18 April 2025 in Athens, Greece. 28 academics and researchers from 11 different countries (*Bulgaria, Croatia, France, Greece, Israel, Portugal, South Korea, Spain, Türkiye, UK, and USA*) will present their work. The program of the conference is available here: [www.atiner.gr/2025mdt-pro](http://www.atiner.gr/2025mdt-pro). If you would like to attend the conference, either onsite or online, please send us an email at [information@atiner.gr](mailto:information@atiner.gr). Members in good standing can attend for free.

The ninth issue (*Volume 5, Issue 1, March 2025*) of the *Athenian Academic Periodical* is available at: <https://www.atiner.gr/aap/v5i1>. The next issue will be uploaded on **28 October 2025**. If you are interested in contributing, please contact us at the address [aap@atiner.gr](mailto:aap@atiner.gr).

We are glad to announce the successful organization of the “*Clandestine Education: Characteristic Triggering Circumstances and Case Studies*” event, held on Thursday, March 27, 2025, at the Athens Institute, under the auspices of the *Athenian Academic Periodical* ([more details](#)).

We are pleased to share a recent commentary by our president, **Dr. Gregory T. Papanikos**, titled “*Could Barack Obama Face Donald Trump in a Third Run for President?*”. You can read his insightful commentary [here](#)

We are pleased to announce that our academic member, **Dr. Jane Anastasopoulou**, has co-authored a recently published article titled “**A Mathematical Model of Statin Anti-Hyperlipidemic Drug Reactivity and Diverse Concentrations of Risk Toxicity.**” The article is available at: <https://www.mdpi.com/2077-0383/14/7/2331>.

We are pleased to announce that our academic member, **Dr. Manuel Malaver de la Fuente** (*Professor, Maritime University of the Caribbean, Venezuela*), has been honored with the **Aishwarya Memorial Academic Annual Award 2025** in India, recognizing his contributions to academia. In addition, Dr. Malaver de la Fuente has published a new book titled *Wormholes and Multidimensional Universes*, further advancing knowledge in the field. The book is now available at:

**Eliva Bookstore:** <https://elivabooks.com/en/book/book-9238759414>  
**Amazon:** <https://www.amazon.com/dp/9999325106>

We are pleased to share that our academic members, **Dr. Thaddeus L. Johnson** (*Assistant Professor, Georgia State University, USA*) and **Dr. Natasha N. Johnson** (*Clinical Instructor, Georgia State University, USA*) have published a new op-ed in *The Washington Post* on **February 24<sup>th</sup>**: **This AI-powered crime tool can make cities safer – if we use it right** (*The Washington Post*). Drs. Johnson now have **19 co-authored op-eds** in major publications, including *USA Today*, *TIME*, *Scientific American*, and *The Washington Post*. You can find **14 of their articles** here: [CCJ Commentary](#)

### **Forthcoming Conferences Organized by the Athens Institute**

The Athens Institute is organized into 7 [Divisions](#), 37 [Units](#) and 8 [Centers](#). Each one organizes at least one annual academic event (conferences, symposiums, roundtable discussions etc.). All events are small academic gatherings as these are described in ATINER's [mission](#) and [policy](#).
