

Athens Institute Newsletter No. 61, September 2026

News

Applications are now open for the Athens Institute's three international undergraduate competitions for 2027:

- [Undergraduate Mathematics Competition \(AIUMC\)](#)
- [Undergraduate Economics Competition \(AIUEC\)](#)
- [Undergraduate Physics Competition \(AIUPC\)](#)

Application Period: 30 September - 31 December 2026

Undergraduate students worldwide are invited to submit their research and have the opportunity to present their work to an international academic audience.

The Athens Institute is conducting an international research project exploring final-year undergraduate physics students' views on fundamental physics research, its

practical applications, and their role in physics education.

Final-year undergraduate physics students worldwide are invited to participate by completing the questionnaire.
