No. 8, April 2022

This week we started meeting again as part of our small symposiums. We were pleased to host presenters and attendees from 27 different countries. Among them, the members (Dr Vickie Hughes, Assistant Professor, School of Nursing, Johns Hopkins University, USA and Dr. Domenico Maddaloni, Professor, University of Salerno, Italy) responsible for this week's symposiums were finally able to make it and come to Athens. All educational activities took place as planned. Please feel free to join us for our next academic symposiums either as a presenter, attendee and contributor to the discussion. You can join us onsite (the ideal option) or online. We must go on. Your support is more than welcome. If you need more information, please send us an email to [information@atiner.gr](mailto:information@atiner.gr)
